The Circle of Hope (COH) Support Group is a network of women who have used alcohol and/or drugs during pregnancy. Together, we provide support in overcoming the stigma of addiction and FASD. We provide information, resources, hope, and support. A light lunch will be provided. Please RSVP so we can plan accordingly.

Childcare is available on a limited basis upon request.

Transportation may also be available on request.

For questions, more information or to RSVP, please contact Tiffany Morgan at
